

Intern ID : DSS-317

CERTIFICATE

This is to certify that

SIRIPURAM YUVARAJ

a B.Tech student (320506402118) of Andhra University College of Engineering Visakhapatnam has successfully completed an internship at Demy Software Solutions from 05/06/2023 to 03/08/2023(2 months). Throughout the internship period, he exhibited exceptional dedication, and enthusiasm, researching, consulting, analyzing, and evaluating system program needs.

Roles and responsibilities :

- Testing, debugging, diagnosing and correcting errors and faults in an applications programming language within established testing protocols, guidelines and quality standards to ensure programs and applications perform to specification.
- Writing and maintaining program code to meet project requirements, designs and technical specifications in accordance with quality accredited standards.
- Identifying technology limitations and deficiencies in existing systems and associated processes, procedures and methods .

we are pleased to award him this Internship Certificate as a recognition of his successful completion of the internship program. This internship experience has provided him with valuable exposure to the industry and has enhanced his skills in **Full Stack Development**. We believe that **Siripuram Yuvaraj** has exhibited great potential.

For Demy Software Solutions
